

## SESSION THREE / Page 1

Print this page for each of you. Thinking of the four **BOUNDARIES** of what is permissible, are there instances (if any) when sex in your marriage has gone outside the boundaries?

**God explicitly forbid it.**

**The  
experience  
was driving  
us apart.**

**Our exclusivity  
was compromised.**

**Satisfaction came at the expense of  
one of us being hurt spiritually,  
emotionally or physically.**

Depending on what came to mind (if anything), this may be an opportunity to ask for forgiveness, seek healthy healing and agree **TOGETHER** to build sexual intimacy going forward within God's boundaries.

## SESSION THREE / Page 2

The good news is that God gives ample room within **BOUNDARIES** for a married couple to thoroughly enjoy passionate sex!

Print this page for each of you. Individually write **IN** the “**playground**” box area below ideas you believe would make sex more enjoyable and be within the boundaries.

**Does God explicitly forbid it?**

**Would the experience drive us apart?**

**Would our exclusivity be compromised?**

**Would satisfaction come at the expense of one of us being hurt spiritually, emotionally or physically?**

Share with each other and agree on at least a few new techniques or touches you will try to bring more enjoyment into your sexual intimacy.
